Under this program you will receive multiple items at a time to ensure you receive all of your items under this program. We will also skip hot peppers if that is something you do not freeze or can.

As a member of the Freezer Program with Candella's Farm, I am making a commitment for the 2021 season to receive bulk items per the program terms. I recognize that due to the inherent risks of farming, there are no guarantees on the specific produce that I will receive due to weather extremes, insects, and/or other production factors. I am responsible for picking up my items when contacted (by phone or email) and understand I will receive replacement items due to harvest or if I miss an offered item. I understand that all payments for this Freeze Program is non-refundable. A completed form needs to be submitted to Candella's Farm to join.
